Camper Registration

TO ALL ANDERSON COLUMBIA CO, INC. AND AFFILIATE EMPLOYEES:

If your child or grandchild (ages 12 – 18 only) wants to go to Camp Anderson in Old Town this summer it is time for campers to start registering. The Anderson family is sponsoring the **first 40** employee children/grandchildren that sign up. All you have to do is register and instructions are on the back of this notice. You can see all Camp Anderson has to offer on their web page at www.camponderson.org.

If you do not have access to a computer, please get with one of the girls in any of our offices and have them assist you sign up. You can also call me in Old Town and I will try to help over the phone.

FINALLY, please contact me by phone, e-mail, fax, or any other means, whatever it takes, after your child is registered. I need to know the parent/guardian's name, phone number, e-mail, if any, and the children's name(s). This is the only way I can verify who has registered and keep in contact with you. Your registration does not come to me at Anderson Columbia.

Thank you!

CAMP ANDERSON
NEW REGISTRATION PROCESS

To register simply go online at www.camponderson.org and follow these instructions:

1. Once on the Camp Anderson web page click the green kayak on the left side of the page that says: Registration.
2. Next, on the very top line under “Camp Anderson Events” click the green “REGISTER” by 2019 Summer Camp.
3. Then click “Individual Registration, Start Here”, Not the Learn More tab.
4. Then hover on the middle square “Paying Individuals – part of a group”, and click on “2019”. Don’t worry, you will not have to pay anything.
5. Click the dates June 10 – 14.
6. Complete all information requested and make sure that under “Group/Church” you fill in “Anderson Columbia”. Then continue with the rest of the questions. Answer all questions to the bottom of the form and then click the “Submit” button. If you want a copy of the registration print it before you hit the Submit button. The copy is not required for anything.

After you submit your registration at the very end you will get an immediate response that it has been accepted. If you do not receive that response look back through the registration form and see if you left something out. Nothing can be left blank. Make sure all signatures are completed. Then hit submit again until you get an accepted response.

Have handy your child’s insurance information, health information, what activities they want to do and if there is anyone they particularly want to room with. All of our group will be together in various cabins.
